Family Contract

Parent Initials: _____

Bar-T shall have the right to make all decisions regarding a camper's fitness to participate in particular activities or the entire camp program. At any time before opening day or during the camp season, Bar-T shall have the right to cancel this contract if it determines that the physical, mental or emotional condition of the child would prevent him/her from participating safely and satisfactorily in our program or from interacting positively with other campers or if the child's parent(s) make an unreasonable demand, in the sole judgment of Bar-T, upon Bar-T. Similarly, Bar-T shall have the right to cancel this contract and dismiss the camper if the camper exhibits unacceptable behavior that prevents our staff from safely supervising him/her or proves detrimental to himself/herself, other campers or staff members as determined by Bar-T.

Bar-T works with each family to provide quality summer and school-year opportunities to the children entrusted to our care. Our programs are built around an inclusionary environment with staffing ratios of one staff member for each ten children. If you believe that your child has any special needs or requirements, including dietary issues, allergies, physical limitations, or emotional/cognitive issues, that could affect his/her participation in our program in any way, please contact us during the application process so that we can discuss the accommodations that would help your child succeed in our program. Bar-T will do its best to reasonably accommodate all special needs.

Similarly, please let us know if you, or anyone who will visit our program on your child's behalf, requires any special accommodations. In those cases, we will also do our best to effect a reasonable accommodation.

The parent/guardian authorizes and consents to Bar-T's use of the camper's photograph, portrait or image in connection with Bar-T's brochures, web site or other promotional publications. Your child will not be identified by name in any of our material.

The parent/guardian gives permission for camper(s) to be transported by Bar-T. They give permission to participate in all camp activities and understand that certain camp activities contain inherent risks. They understand that all transportation sites, Kids Camp sites, and extended care sites are subject to contracts issued by Montgomery County and other independent contractors in the Spring of 2011 and these sites are subject to change.
